Hi Simma – What is your timing on this. I did not get to it today and am not in tomorrow. Is Monday ok?

All,

Attached is a revised version of the briefing paper. I tried to merge the OGC and R4 papers, and added a bullet on the **Ex. 5 AC/DP** My changes are redlined. I welcome your comments. I don't have a "considerations" section at the end. If there are very important programmatic considerations you think leadership should know, feel free to add them. Thanks!

Feel free to edit this version, or the One Drive version I just circulated, if that works.

Thanks Steve. I think this is an interesting approach and may provide the flexibility that folks are seeking. It is creative.
